Dear Pouria:

I wanted to thank you and your entire staff at the Los Angeles Convention Center for working very hard to make this years boat show a success. Although we did not meet our financial objectives, we did manage to help our exhibitor members sell boats and accessories in this very difficult market.

Claudia Brett, Greg Rosicky, Estella Morales-Flores and Deanna Nakimora were available at all times to meet the needs of producing our event. The facility itself was clean and neat. All service staff members were professional and well organized.

We look forward to our 54th Annual Los Angeles Boat Show in 2010, when, hopefully, the economy will be better and even more improvements will be completed around the Convention Center.

Terry and I want to thank you for the beautiful floral arrangement and your thoughtfulness. The passing of loved ones is often made more bearable by the kindness of friends and we appreciate it.

Congratulations to you and your staff for making the Los Angeles Convention Center a truly world class facility.

Regards,
