**THE WESTERN CONFERENCE**  
Hip Hop Industry Mixer Convention  
September 18<sup>th</sup>, 2009

Thank you Rose Watson & Jacqui Davis,

On behalf of all those that were a part of “The Western Conference” Hip Hop Industry Mixer Convention. We would like to personally thank you and your team for making it possible to have our event at Los Angeles Convention Center.

You came together in such little time delivering quality and tasteful service. We want you to know that we’re pleased with the results. It was because of your assistance, you have provided another safer place for the Hip Hop community. Our guests were impressed.

Your efforts helped us gain great sponsors for our next event. This was really important to us.

Our night would be the most talked about, memorable night! The food and bar was just a treat.

Again thank you and we’re hoping to work with you in 2010.

Thanks,  
CHOCOLATE CRUSHES, Inc.
