Dear Estella, Vanessa, Claudia, Chef Rick, Ivan, Tom and Tom,

Needless to say, this year's 61st Primetime Emmy® Awards Creative Arts and Governors Balls were spectacular!

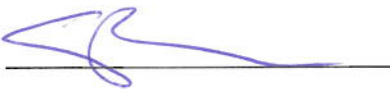

Please accept our gratitude on behalf of the Academy of Television Arts & Sciences and the entire Sequoia Production team for all that you contributed. Once again, it was an absolute pleasure to work with all of you. Your entire staff was extremely accommodating and eager to help with whatever we needed, no matter the nature of the request. Your team really added to the success of our entire production process and is a true testament to how smoothly the event unfolded. Thank you again for everything and we look forward to working with you in the future!

Sincerely,

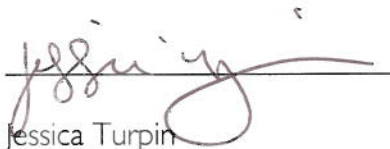

The Sequoia Productions Team
