

Due to the global pandemic, business operations at these companies may fluctuate without notice. Please contact the contractors directly for the most status of their business.

## AUORIZED CONTRACTORS

The Los Angeles Convention Center has partnered with the leading contractors in the industry to offer resources and event support to meeting and event planners working in our venue. This list is provided as a convenient tool to assist during the planning process. Licensee is encouraged to interview contractors, solicit multiple competitive bids and request references to properly vet contractors to their event's specific needs.

For the following services, Licensee is required to use a contractor from this list. (☞) Denotes exclusive services at the Los Angeles Convention Center. No outside contractor may provide these services at the venue.

- Catering / Food & Beverage ☞
- Internet / WiFi / Networking / CATV ☞
- Telecommunication ☞
- Electrical / Utilities ☞
- General Service Contractor
- Cleaning Services
- Event Security
- First Aid/Medical Services
- Rigging (Exhibits & Production)
- 

Please contact your Event Manager if you do not see your preferred contractor on this list. Audio visual contractors are required to provide a certificate of insurance for each event/show they are contracted for.

(Updated: 01.01.21)
